WELCOME TO THE PROSPECTUS FOR STENHAM PRIVATE SCHOOL.

About Us

Stenham Private School is a South African registered Independent Private Primary School, that prescribes and implements curriculum for physical, mental, emotional, intellectual and spiritual progress for achieving multifaceted development and growth of the younger generation. The School provides an environment for the development of quality leadership, team spirit, sportsmanship, self-esteem and other social attributes to prepare children to be future leaders to ensure Continuity and Growth as a Nation. The School provides a happy, caring and safe environment for your child, through working hard to ensure that our learners experience of school is a positive one and one which encourages a love of learning and self-discipline from the start.

Impact

Stenham Private School aims to provide the highest and unequalled top class training available in today's competitive global village through forming highly intelligible strategic alliances with captains of all departments of education and training who share the same vision and core values as us. Stenham Private School distinguishes itself by providing focused, top quality and cost effective education services to shape global minds in a South African Soul. The School aims to maintain a high quality of teaching, good pupil achievement rates, well pupil behavior, pupils that are courteous and polite through ensuring that the school leaders, governors and staff work together with determination to achieve the above.

Stenham Private School celebrates and values different pupil cultural backgrounds, different religions and different languages through encouraging the children to be proud of their own culture, religion and language and through showing respect to the diversity of others. At present we have a number of staff who can speak languages other than English and staff will always be happy to translate for parents when needed. Stenham Private School is committed to building a positive partnership with parents which is vital in achieving our aims. Home and School work together and we need the parents and or guardians' support and co-operation. The School is welcoming, willing to listen and willing to respond to your questions, concerns or suggestions.

The curriculum of the School is well planned with a priority given to developing high standards of literacy and numeracy. The Stenham Private School work is supported by a good level of resources and additional staffing to meet the individual needs of the children. We work hard to ensure each child has acquired the study skills necessary for them to continue their development at the next stage of education.

Environment

Stenham Private School is located at 255 Rose Etta Street, Corner Rose Etta and WF Nkomo Street, Pretoria West, Pretoria South Africa, 0003. The School facilities are all located on the ground floor to accommodate learners with special needs, access into the school premises. All facilities including the classrooms, administration offices, management offices, ablution facilities and the sick bay are located on the ground floor, this allows all children access into and out of the Stenham Private School without any difficulties and or any challenges. The Grade R – Grade 3 classrooms are arranged to allow for the wide variety of activities which can take place. They are well resourced with equipment and furnisher suitable for the age of the children and which reflects their backgrounds and cultures. There is a safe play area where the children can play.

The School has good facilities, we have eight well equipped classrooms, a sick room, three administration offices and one staff room. We are aware of the need for good security and the school has installed security systems and CCTV on the entrance doors near and inside the classrooms and on all other locations around the school site. This allows the doors to be locked shut during the school day and additionally allow us to monitor the whole site from the school office. Situated within the main street, the building has sound -proof outdoor classrooms for the children to learn in. Near to the school entrances there are shelters for students waiting for the learners. The School playground area is two streets away from the school, a walkable distance for all children under the supervision of a Teacher. The large playground is marked out with games and landscaped on soft surfaces for the children to play on. The playground is secure and safe for the extra-curricular activities.

Target people and locations

Stenham Private School currently has one office in the West of Pretoria, from where administration and learning is rendered. The School offers education services in the following grades, Grade 1 – Grade 7. Classroom interventions are presented on a group presentation, and on a one on one teacher to pupil basis. The School is primarily open to the entire Nation of South Africa and the Schools major clients include pupils from the surrounding suburbs, parents of pupils working close and around the school and learners around the province as a whole.

Board and Staff

Stenham Private School has a governing board of independent members with various expertise, skills and insight into the type of service offerings of the school. The School employs the skills of Highly Qualified Teachers with sound trackable Teaching experience and experience in dealing with all children (be it they are disabled) from variety of backgrounds. Efficient and effective support staff are in place to ensure the smooth ongoing of the education services at the school.
